HOW TO USE THIS INDEX

1) The Index has two parts - Item listing and Brand name listing. The catalogue is divided into 9 sections. Each catalogue has a prefix letter (eg W for Workspaces – see listing below).

- A** Accessories & Other Products
- C** Chairs
- K** Kingfisher Library
- L** Lounge & Soft Seating
- S** Storage Solutions
- T** Tables
- V** Presentation & Visual
- W** Workspaces
- Z** Boarders' Furniture

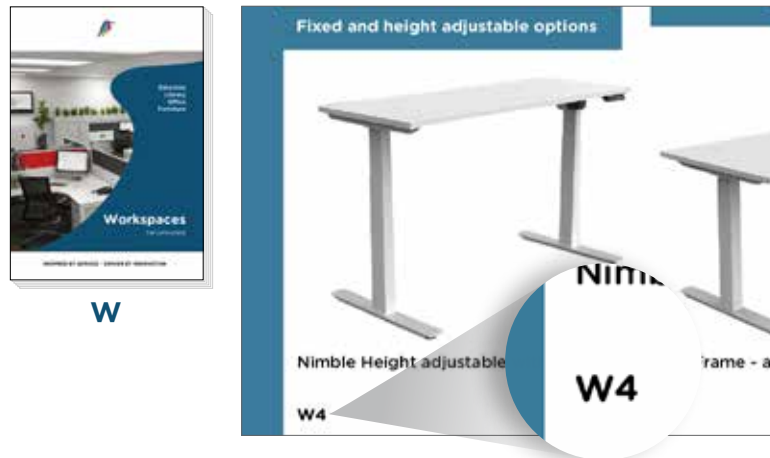

2) Look up the item you require and note the prefix and the page number.

Acoustic lounge	L	24-25
Acrylic Slatwall fittings	A	14-16
Adjustable height desks	W	4
Adjustable height table	T	16-18

3) Find the catalogue with that prefix (in front of the page No on each page) and then the page No.

4) Prefix letters in the index are also colour coded to match the catalogue colours.

If a catalogue is missing from your binder, or you need additional binders, then please call us on **1300 300 369** and we will send one out to you ASAP. Please note that the Boarders' catalogue is only inserted for schools that have Boarders. All of the catalogue are available for download as PDFs, both individually and as a combined catalogue, at www.abaxkf.com.au/resources.

If there any suggestions you would like to make to improve the catalogue, or if there is a product you would like to see in our range, then do please let us know - it is the feedback that we get from our clients that helps us improve.
